## Migrating to Australia: Nurses

Australian immigration laws can be detailed and complex. With a large number of visa categories available, it is important to get the right advice. HB Migration provides advice and assistance designed to achieve a cost effective migration outcome for you and your family.

All migration consultants are formally educated and trained migration agents, registered with the Migration Agents Registration Authority.

- HB Migration provides migration advice and services in the following visa categories:
  - Employer sponsored migration for permanent and temporary residence;
  - General Skilled Migration (Points tested applicants);
  - General Skilled Migration;
  - Graduate Skilled Permanent Residence;
  - Spouse/ de facto Permanent Residence.
  
- What to expect from our service:
  - initial discussions with the visa applicant to set the direction of the case and detailed consideration of the circumstances of each case;
  - preparation of all submissions to the Australian Department of Immigration and Citizenship (DIAC) to Australian visa officers overseas and any relevant skill assessment authorities and state registration boards;
  - ongoing liaison with DIAC as required;
  - arrangements of medical examinations, X-rays and police checks;
  - Provision of ongoing progress reports to visa applicants;
  - Advice on the outcome of your visa application;
  
- Our fees:

HB Migration offer a free confidential initial consultation by telephone, email, or by appointment in our office in regard to opportunities for persons in and outside Australia to lodge valid visa applications for Australia. We will quote you an exact fee as part of your client agreement for our services.

**You will be eligible for a discount when you mention VITAL INTERNATIONAL RECRUITMENT.**

Migrating to Australia is a life changing decision not just for you but for your family. We will ensure that your spouse/ partner, children, parents and other family members are assisted with their migration requirements also, so that families can settle in Australia together.
